1/2 DAY OF SCHOOL

OCTOBER 18TH

DISMISSAL BEGINS AT 11:30

ATTENDANCE TOOL 10/6/2023

If you are a parent that has chosen to drop off and pick-up your child/ren you need to follow these important safety measures. We are receiving many complaints about traffic and speeding down East Shore Rd. **PLEASE, PLEASE DO NOT SPEED!** This is a residential neighborhood, please be mindful of blocking driveways while waiting in line. Please come to a full stop at all stop signs. Once you have dropped off your child/ren please be cautious of the staff member holding the stop sign at the front of the building. We have had a few near misses with families trying to rush through the drop off line or people on their cellphones and not paying attention. If you are late and the back doors are closed, please pull forward and stop at the end. Do not turn the corner if faculty and staff are still outside in the front. If staff members are still outside that means we have not received all our bus students. Remember all students are considered late at 8:30, and you will need to fillout a late slip. Coventry police are aware of the issues happening on East Shore Rd and may be watching for speeders.
