

Week 12 Grade: 5

School: Tiogue Elementary

Week of June 8 - 12, 2020 (5 day week) Monday, Tuesday, Wednesday, Thursday, Friday

### Elementary Distance Learning Plan - Daily Lesson Plans - Final Week of School

Dear Coventry Elementary Families,

This is **week twelve** of our Distance Learning Plans. Coventry Public Schools would like to thank all the parents and caregivers for participating in the new endeavor. It is certainly not easy being an educator and a parent (working or not) during these unpredictable and challenging times. We want you to know that Coventry Public Schools is here to support you in whatever way we can. Please reach out to us if you need anything. Your child's teacher or principal can connect you to the help you may need.

Teacher: Mrs. Bettez Room: 24 Grade: 5	Teacher: Mrs. Sinotte Rm: 21 Grade: 5	Teacher: Mrs. Flynn Room:22 Grade: 5

**Date: Monday, June 8, 2020**

#### Reading, Math and Science:

**Purpose:** *This week in ELA and Math you need to complete questions in the IXL Diagnostic Arena. In ELA you need to complete between 55 and 60 questions. In Math you need to complete between 75 and 80 questions.*

*We have decided to eliminate any additional ELA, Math and Science assignments to give you time to complete the IXL Diagnostic instead. Below is a **suggested daily schedule for testing**. However, you may complete your assessment however you would like, just as long as you answer the required number of questions.*

**Remember:** Enter the Diagnostic Arena and press the book  language arts , to change questions to all Language Arts and press the pyramid  Math , to change questions to all math. You may need to exit and reenter to do this.

## To Do:

### ❖ Monday

- In ELA: complete 15 questions for Language Arts
- In Math: complete 20 questions of Math
- Finish ELA Projects and Turn in Math Slideshows

### ❖ Tuesday

- Share Projects in Morning Meeting
- In ELA: complete 15 questions for Language Arts
- In Math: complete 20 questions of Math

### ❖ Wednesday

- In ELA: complete 15 questions for Language Arts
- In Math: complete 20 questions of Math
- **Fun Activity on Meets or Zoom**

### ❖ Thursday

- In ELA: complete 15 questions for Language Arts
- In Math: complete 20 questions of Math
- **Fun Activity on Meets or Zoom**

## Art:

Hello to all our young artists!

You have worked hard on creating beautiful pieces of artwork over the last 10 weeks. Now it's time to take a break and visit some beautiful artwork from around the world. We are so proud of all the hard work you have done! Let's go on a field trip! Stay safe and be creative,

Mrs. Hemendinger & Mrs. McKay

Click on the link below to choose the field trip you would like to take! Safe Travels!

#### ❖ Thursday

- In ELA: complete 15 questions for Language Arts
- In Math: complete 20 questions of Math

➤ Fun Activity on Meets or Zoom

**Library/Media - Ms, Wolk (K-5):**

[wolkesther@coventryschools.net](mailto:wolkesther@coventryschools.net)

**Purpose:** Learners develop through experience and reflection by recognizing capabilities and skills that can be developed, improved, and expanded.

**Purpose:** Learners develop and satisfy personal curiosity by reading widely and deeply in multiple formats and write and create for a variety of purposes.

**To Do:** Explore your school library website and use the resources that are available. Go to [www.ricat.net](http://www.ricat.net) and click on your school's name. Explore all of the sections of the library website. The website contains links to e-books, games, activities, and information.

The library websites will be available all summer. The public libraries also have many resources available, go to their websites for more information:

Coventry Public Library <https://www.coventrylibrary.org/>

West Warwick Public Library <https://www.wwpl.org/>

If you still have library books from school, you can return them when we return to the school buildings. 5th graders will be able to return their library books at the middle school.

Have a great summer and keep reading!

-Ms. Wolk

Mr. Silva Health class code: 3jepil5

**FIELD DAY!!!!**

**Boys & Girls:**

We are coming close to an end to the school year and it wouldn't be right if we did not have a field day. Unfortunately, we are unable to have one with you. We have a great opportunity and lesson from a great resource to try and give you a chance to experience a field day at home!

You will notice through these things, there are many activities that you and your family can participate in if you have the equipment. Some activities require less than the others and we hope with all of these options, you can find a few to participate in.

I hope you all have a great time doing these activities with your family and remember to stay active!!

Below is the link to the videos demonstrating the field day activities from the three packets attached:
