Week of June 8 - 12, 2020 (5 day week) Monday, Tuesday, Wednesday, Thursday, Friday

Elementary Distance Learning Plan - Daily Lesson Plans - Final Week of School

Dear Coventry Elementary Families,

This is **week twelve** of our Distance Learning Plans. Coventry Public Schools would like to thank all the parents and caregivers for participating in the new endeavor. It is certainly not easy being an educator and a parent (working or not) during these unpredictable and challenging times. We want you to know that Coventry Public Schools is here to support you in whatever way we can. Please reach out to us if you need anything. Your child's teacher or principal can connect you to the help you may need.

Library/Media - Ms, Wolk (K-5):

wolkesther@coventringschools.net

Purpose: Learners develop through experience and reflection by recognizing capabilities and skills that can be developed, improved, and expanded.

Purpose: Learners develop and satisfy personal curiosity by reading widely and deeply in multiple formats and write and create for a variety of purposes.

To Do: Explore your school library website and use the resources that are available. Go to www.ricat.net and click on your school's name. Explore all of the sections of the library website. The website contains links to e-books, games, activities, and information.

The library websites will be available all summer. The public libraries also have many resources available, go to their websites for more information:

Coventry Public Library <https://www.coventrylibrary.org/>

West Warwick Public Library <https://www.wwpl.org/>

If you still have library books from school, you can return them when we return to the school buildings. 5th graders will be able to return their library books at the middle school.

Have a great summer and keep reading!

-Ms. Wolk

FIELD DAY!!!!

Boys & Girls:

We are coming close to an end to the school year and it wouldn't be right if we did not have a field day. Unfortunately, we are unable to have one with you. We have a great opportunity and lesson from a great resource to try and give you a chance to experience a field day at home!

You will notice through these things, there are many activities that you and your family can participate in if you have the equipment. Some activities require less than the others and we hope with all of these options, you can find a few to participate in.

I hope you all have a great time doing these activities with your family and remember to stay active!!

Below is the link to the videos demonstrating the field day activities from the three packets attached:
